Dear Linda:

This is just a short note to express my heartfelt appreciation for the Armed Intruder training provided by the Center of Excellence at Grays Harbor College last Friday, February 12, 2016. The session was informative, engaging, and very valuable to our college faculty and staff. Many people commented to me that it was the best All College Day training we have ever had at GHC.

I know that you and your team of Jim Baylor and all of the others with us that day spent considerable time preparing and practicing for the session. Your flexibility in modifying the plan after we changed venues and shortened the timeframe is reflective of your responsiveness to our needs. In all respects the session was very successful and was most timely for our employees.

Thank you so much for taking the time and devoting all of the resources to provide this outstanding training for Grays Harbor College. Please do send me a list of any costs for travel, materials, etc. that were incurred by the Center. And please also let me know if I can be of any assistance to you in supporting the continuation of your great work.

Kindest Regards,

Ed Brewster
