Some of the top referral websites include:

<http://www.google.com>
<https://www.washingtoncareerpathways.org>
<http://bing.com>
<https www.coewa.com>
<https images.google.com>
<https www.sbctc.edu>

Trends

- The website statistics were steady this quarter with the largest percentage of hits coming on Monday and Wednesday and the fewest on Saturday and Sundays.
- The search referrals percentage across the website is increasing, which means more people are finding the website with search engines, including Google, Bing, and Yahoo.
